Please provide more details in the space below and one additional page if needed. The application should include **(1) Specific Aims, (II) Background and significance, and (III) Experimental Methods, and (IV) Specific Plans for Obtaining Funding. The application will be reviewed based on its scientific merit, impact, potential for external funding and feasibility.** The written material (excluding references) should not exceed the rest of this form plus one page. Return by email when complete to (mmath02@emory.edu).
